

## Applicant & Interview Information

### Applicant Information

The first step to apply for a staff position at Meharry Medical College is to complete the online application. After you have completed the online application, it is available for review by both Human Resources and the hiring manager for the position. If the hiring manager has determined you meet the qualifications and would like to speak with you further, he/she will contact you directly to schedule an interview.

In the interim, you may check the status of your application by logging into your job profile.

This application may be completed at any available computer or you may complete an application at the Applicant Station in the Department of Human Resources. **NO** paper applications or resumes will be accepted. All applications/resumes are to be submitted electronically.

## Parking

Please note that parking on campus is extremely limited. Please observe the options below for parking on campus upon arriving for your interview.

**Parking along the street** - Parking along the street is free of charge. Parking along the street is limited and is acquired on a first come first serve basis. Vehicles parked in unauthorized areas, will be ticketed and/or towed at the owner's expense.
